Overland Mail Route to Califor-

A N ACT of Congress, approved 3d March, 1857, makir appropriations for the service of the Post-Office D partment for the fiscal year cuding 30th June, 1858, pr "Sec. 10. That the Postmaster General be and he is hereby authorized to contract for the conveyance of the entire letter mail from such point on the Mississippi river as the contractors may select to San Francisco, in the State of California, for six years, at a cost not exceeding three hundred thousand dollars for semi-monthly, four hundred and fifty thousand dollars tor weekly, or six hundred thousand dollars for semi-meekly at the uption of the Postmaster General.

"Sec 11. That the contract shall require the service to be performed with good four-herase coaches or springwagons, suitable for the conveyance of passengers as well as the safety and security of the mails.

"Sec. 12 That the contractor shall have the right of pre-emption to three hundred and twenty access of any land not them disposed of or reserved, at each point necessary for a station, not to be nearer than ten mises from each other; and provided that no mineral land shall be

bonn fide and in good raith, to perform the said contract, and shall require good and sufficient security for the performance of the same, the service to commence within twelve months after the saming of the contract."

Pro sasis will accordingly be received at the Contract Office of the Post-Office Department, until Ir. m of the 1st day of June 1867, for conveying mails under the previous of the above act.

Besides the starting point on the Mississippi river, bidders will name the intermediate points proposed to be smirrored in the route, and otherwise designate its course as hearly as practicable.

Besides and in the Contract Office Department, until Ir. m of the list day of June 1867, for conveying mails under the previous of the adversaries of the starting point on the Mississippi river, bidders will name the intermediate points proposed to be smirrored in the route, and otherwise designate its course as the arrive of the existing which enter into its common in the proposed to be smirrored in the route.

hillity and disposition of the parties in good faith to errorm the contract.

A guarantee to be executed, with good and sufficient dureties, that the contract shall be executed with like tool accountry whenever the contractor or contractors of accountry whenever the contractor or contractors. Form of Proposal.

Form of Guarantee.

The undersigned, reading at — State of —, undertake that, if the foregoing bit for carrying the mail on the route from —, on the Mississippi river, to San Francisco. California, be accepted by the Postmassian General, the bidder shall, when required by the Postmassian General, enter into the necessary obligation to perform the service proposed, with good and sufficient and sufficient and service proposed, with good and sufficient and services.
